7.....Brother Spotlights

John/Jack Ryan (Rybro)

Hello brothers! My name is Rybro. I just moved to Morristown last year, however for the entirety of my childhood I lived in Chatham. I have been going to NA since 6th grade, and am very excited to see what my senior year has in store. As you might have heard, I have been a member of the varsity XC and golf teams since freshman year. Since I understand these are not the most masculine sports, I try to make up for it by hitting legs in the NA gym with Youngbro from time to time! In addition to this, I was a member of the varsity girls practice squad this year along with many of my other brothers.

In my free time, I enjoy playing fortnite with Yaka (kids a monster) and texting back and forth with Tim McCall informing him that “I have a boner to pick with him.” As for college, my first choice is currently Boston College, however I am also looking at schools such as Richmond, Villanova, Fairfield, and Providence. Please let me know if any of you gentlemen would like to play some golf at Canoe Brook Country Club with me in the fall!

Southwest Immersion

Kaleb Youngren (Youngbro)

Hello my name Youngbro, I live in Florham Park and I have been at NA for almost 7 years now. Aside from being the Galvinator's favorite incoming senior (she loves to text me), I play varsity soccer, lax and lead two clubs: Kiva and Student Endowment Committee. Regarding college, I want to go to West Point (like Kaibro and Antbro) but I am also looking at Wake Forest, UVA, UMich, UT, Northeastern and WashU. I plan to study within the fields of business and economics.

Aside from school, my biggest hobbies are fishing, lifting, running and community service. I fish almost every day on the Passaic River. My favorite freshwater species is the Northern Pike. Along with Kiva, I do tons of volunteering at the Apostle's Homeless Shelter in Newark and with the Bridges Outreach organization. I pride myself on my humor and ability to play with kids. Some fun facts about me are that my phone operates in Spanish (something I picked up from Kieranbro in Guatemala) and I am half Indian, although I don't look it.

Michael Usatine (Usebro)

Hello Brothers, my name is Usebro (pronounced yoos-bro), and I am excited to be apart of the Baby Lamp Class of 2020. I came to NA in 9th grade and had previously attended Montville public schools with none other than Nazbro himself. I have been apart of the varsity soccer program since I was a freshman and also play baseball (might switch to golf next year to take Rybro's spot). I am the president of the Food Club and participate in Model Congress. My favorite activities include a rec basketball league I partake in during the winter as well as dominate the girls basketball team during their practices.

In terms of colleges, my first choice at the moment is the University of Virginia. I also plan to apply to Texas, Wisconsin, IU Kelley, Lehigh, etc. I am interested in studying something in the realm of business and economics. Outside of school, one of my hobbies is cooking, something that I have done progressively more since quarantine. I also pride myself on knowing the words to most Meek Mill songs.

Baseball Trip/Model Congress (trip to Guatemala was cancelled)

Thomas Clancy (Clancbro)

Hello brothers, my name is Clancbro and I am part of the 2020 Baby Lamps. I've been at Newark Academy since 6th grade and I currently reside in Westfield. I have been a varsity baseball player since freshman year and I also play club baseball during the summer and fall. I like to devote a lot of my time to training and lifting because baseball is something I am very serious about. I want to play college baseball and I have for a long time now.

As mentioned before, I do lift at the Newark Academy gym in cutoffs. There has been some confusion as to whether my cutoffs are just really small or if I actually fill them out. I would like to state that I wear medium-sized cutoffs so I would say it's a balance between the two. I am very much interested in pursuing either business or engineering in college. This is some other information about myself such as, I went on the Guatemala immersion trip with Youngbro and Kieranbro, I love any outdoor activities, and I am always down for pickup basketball.
